Captain Lazar's Message

I would like to start out this week's newsletter by thanking President Dennis Wayne and the entire Fisherman's Wharf Merchant's Association for honoring Central Station last evening at their annual dinner and fundraiser. This was their 12th annual crab feed and the first time Central Station was honored at such an incredible event. There were over 200 people in attendance including Mayor Lee. President of the Board of Supervisors London Breed and District 3 Supervisor Julie Christensen also recognized Central Station on behalf of the entire Board of Supervisors. In addition, Susan Reynolds from the Port who also presented a plaque to Central Station.

Commanding Officer David Lazar of Central Station

It was a great evening and we were honored to receive the recognition. The credit goes to the Police Officers at Central Station who 24 hours a day, 7 days a week do an outstanding job working in partnership with the Fisherman's Wharf and all the communities which make up the Central District. Specifically, **Officer John VanKoll and Kevin Worrell** who have the Fisherman's Wharf Beat and have formed great partnerships to keep the Wharf safe. Congratulations to everyone at Central Station!

Lunar New Year Preparation

I thank Chief Suhr, the Department's Command Staff, dignitaries, public officials and the community for coming out for the Lunar New Year press conference this last Tuesday at the gates of Chinatown at Bush and Grant. The event in its 18th year, was coordinated and sponsored by SF Safe. Our focus was on public and pedestrian safety as we kick off the New Year. The event was followed by the Chief handing out public safety information in Chinatown and Officers from Central Station, along with the Chinese Community Development Center, the Department of Public Health, the District Attorney's Office and the community who all participated in distributing the scam awareness bags.

Traffic Safety

As the rain is needed in the City, please remember to slow down and drive safely. It is important that we follow the signals, not speeding up for the yellow light but slowing down and preparing to stop. As we work to educate pedestrians on safety as well, please be careful for them. We all have to do our part to reduce collisions and injuries in the district.

Have a great weekend!!
