Captain Lazar's Message

St. Patrick's Day Celebrations

The Department every year looks forward to participating in the annual St. Patrick's Day Parade. Except for a year here and there, I have participated for the last several years in the parade, proudly walking with other members of the Department. This year, my youngest will be passing out SFPD stickers and I will be representing Central Station.

On Saturday evening, we will have extra Officers on patrol in the Central District. I encourage everyone to drink responsibly, do not drink and drive by designating a driver or taking a cab, and to generally be safe.

Commanding Officer David Lazar of Central Station

Pedestrian Safety

Last week, **Sergeant Dominic Panina**, in regular clothes, was at Sansome and Green, crossing in the crosswalk. In a short amount of time, 15 cars did not yield to him in a crosswalk. They all received citations.

We are conducting enforcement operations and working to educate the public about being safe while driving by way of this newsletter and of course when they receive a citation.

Monthly Community Meetings

I have been pleased with the amount of people who have been attending the monthly community meeting. As a reminder, it is held on the third Thursday of the month at 6:00 p.m. I change locations because I believe it is important to move around the Central District. I invite you to come out to this month's meeting which will be held at the Holiday Inn at Fisherman's Wharf on March 18th.

Great Police Work

Outstanding work was performed by Central Station Officers this week. **Officers Tiimalu, Khmarskiy and Orengo** made a burglary arrest around midnight on the 1400 block of Jones Street on Sunday night where they took two suspects into custody. In the suspect's possession were narcotics, master keys for access, papers with individual's social security numbers, credit cards, stolen checks etc. This was one of a couple of burglary arrests by Central Station Officers.

Thursday evening, I had the opportunity to attend a community meeting in a beautiful home in Telegraph Hill. It was well attended and my message to the group was "target hardening." Residents need to work to make it difficult for burglars and others to commit crimes. This is accomplished by security cameras, alarm systems, and proper lighting. Residents are also successful when they get to know their neighbors, form a neighborhood watch, report suspicious behavior and generally watch out for one another. Something to consider.

Have a great weekend and be safe!
