Captain Paul Yep's Message

Dear Central District residents, merchants and community members,

During the past month I have been asked frequently about how to report crimes and how to obtain important City services. Here is some information I published in a previous newsletter that may be useful for you and your neighbors!

If you are reporting a crime that is *in progress*, dial 9-1-1 immediately. Also, call 9-1-1 to report fires, medical emergencies and any emergencies related to public safety.

To report a non-emergency incident (a crime that has already occurred and the suspects are gone), please call the SFPD non-emergency phone number at 415-553-0123 to have an Officer dispatched to meet with you.

You may also go to any SFPD district station to make a report. Central Station is located at: 766 Vallejo Street.

For your convenience, the following crimes may be reported on-line using the SFPD's main website (<http://sanfranciscopolice.org/REPORTS>):

- Harassing Phone Calls: When you are experiencing annoying calls - with no known suspects; for example, hang-ups or heavy breathing.
- Lost Property: When property has disappeared and not stolen. If you think it could have been taken but you have no idea by who, you may enter the report online.
- Theft: When property is stolen but there has been no illegal entry or contact by the thief.
- Vandalism/Graffiti: The act of changing, modifying or defacing public or private property, including graffiti.
- Vehicle Burglary: When property was stolen from a vehicle.
- Vehicle Tampering: Tampering with a motor vehicle, including vandalism/graffiti of the vehicle.

Captain Paul Yep
Commanding Officer Central Station

Next Community Meeting:

When you call 9-1-1 or the SFPD non-emergency number, you are actually calling the Department of Emergency Management (DEM) and a trained professional will prioritize your call and send you the closest and most appropriate resource(s). Important data and tracking information will also be captured to assist in getting help to you in the most efficient manner.

Please note, the Central District Police Station email account is NOT monitored daily and was not set up to take reports of criminal incidents or suspicious occurrences.

Additionally, although we post information on social media such as “Nextdoor” and “Twitter” for informational purposes, the Police Department does not and cannot view your neighborhood “Nextdoor” posts and chats, because of privacy concerns. Please encourage your “Nextdoor” contacts to report incidents to the Police when they post information regarding crimes and any public safety issues on “Nextdoor”.

If you are concerned about a homeless person in San Francisco, call 3-1-1 to make a report. The 3-1-1 staff will talk with you to determine if the call is referred to the San Francisco Homeless Outreach Team (SF HOT) or other emergency response services. Visit the Department of Homelessness & Supportive Housing’s website (<http://dhsh.sfgov.org/>) for more information.

The SFPAL re-launched the fishing program and partner kids with cops to teach them the skill of fishing and to have a healthy respect for their environment and the Bay.

Sgt. Zapponi and Sgt. Spagnuolo from Central Station are good at catching fishes just as they are with catching criminals.

Officers Jim Horan and Troy Courtney participated with kids in an Easter Egg Event at Huntington Park.

Central Station Officers participated at the San Francisco Recreation and Parks' Rib Cook-Off and won 1st Place for Traditional Ribs, 1st Place for Salad, 2nd Place for Dessert and 2nd Place for Traditional Side Dish.

Central District Burglary- 17 Incidents

Central District Theft from Vehicle, 130 Incidents

This map accurately reflects the information available in SFPD's CrimeView/CABLE database at the time of preparation.

Central District Robbery- 16 Incidents

Hit & Run Arrest

On March 29, 2017 at 3:08 PM, a pedestrian was crossing mid-block on Columbus Avenue between Union and Filbert Streets. A vehicle traveling northbound on Columbus Avenue struck the pedestrian. The 86 year old pedestrian was transported with life threatening injuries to San Francisco General Hospital. Later that evening a person called SFPD and the subsequent investigation confirmed the identity of the person who was driving the vehicle.

On April 17, 2017, the suspect surrendered to the Traffic Collision Investigation Unit and was booked for felony hit and run and felony reckless driving.

The pedestrian is currently recovering from her injuries in a medical facility.

Cremated Remains Returned to Theft Victims

On Wednesday, April 12, 2017 at approximately 5:00 PM, tourists from North Carolina returning to their rental car parked in a parking lot located on the 500 block of Beach Street discovered their car had been broken into and their luggage stolen. One of the items inside the luggage was a container wrapped in a velvet bag that held the cremated remains of their deceased family member. The victims filed an online police report, and later met with officers to conduct a thorough investigation in the hopes of locating their loved one's remains.

Central Station Investigators quickly identified an adult male as a person of interest. On Saturday, April 15, 2017 at approximately 2:20 PM, Central Station plain clothes officers working an auto burglary abatement operation spotted the person of interest and made contact with him at Chestnut and Montgomery Streets. During the investigation, the subject told the officers the location of the container. The subject contacted a friend who later met the officers with the container. The officers seized the container, the contents of which appeared to be intact. The subject was detained and later released pending further investigation. Due to the ongoing investigation, the identity of the detained person of interest is not being released at this time.

The Central Station Investigation Team Lieutenant contacted the victims and notified them of the recovered container. At Central Station the victims identified the cremated remains by the container and the velvet bag and the officers reunited them accordingly.

This incident is still an ongoing investigation. SFPD is asking anyone with information on this case to contact the San Francisco Police anonymously at 415-575-4444 or text-a-tip to TIP411 with SFPD at the start of the message.

Featured Officer of the Month

Officer Kevin Gil

Each month Central Police Station features one of its officers in an effort to learn more about the men and women who police our neighborhood. This month, we interviewed Officer Kevin Gil, a 9-month member of Central Police Station.

Officer Gil was born in San Francisco and attended Sacred Heart and Notre Dame des Victoires high schools. He graduated from San Jose State University with a Bachelor of Arts degree in Behavioral Science/Psychology.

Officer Gil joined the San Francisco Police Department in August 2015. After graduating from the Police Academy, he was assigned to Ingleside Station for field training. After field training in July 2016, he was assigned to Central Station for his probation station. Officer Gil will serve his probation for a year at Central Station before being transferred to his permanent station.

Officer Gil is currently a patrol officer on midnights and can be seen patrolling throughout the district. He had also worked as the Fisherman's Wharf Footbeat for eight months.

Officer Gil's favorite thing about the Central District is the people. He says, "I like talking to the long time San Francisco Natives who remind me of things from my childhood. It's always a great feeling to share a nostalgic moment with a passerby. I also like talking with the tourists who visit from all over the world. I love to travel and am always looking for new ideas for places to visit."

What is the ALERT Program?

The San Francisco Police Department has developed a volunteer citizen disaster preparedness program. The Auxiliary Law Enforcement Response Team (ALERT) is modeled after and works in partnership with the San Francisco Fire Department's Neighborhood Emergency Response Team (NERT). The ALERT program will train members of the public to assist law enforcement in essential tasks after a major disaster. Such tasks may include: traffic control, foot patrol of business and residential areas, and reporting criminal activity. Volunteers must be at least 16 years of age and live, work, or attend high school in San Francisco.

Three steps to becoming an ALERT volunteer:

1. Complete NERT training and receive certification. To register for NERT training courses please visit www.sfgov.org/sfnert
2. Once NERT certified, forward a copy of your NERT ID card to the ALERT program. sfpdalert@sfgov.org
3. After clearing a basic background check the individual is eligible to register for ALERT training.
