## Captain Lazar's Message

### Video Cameras

Often I am asked about the value of a security cameras. Although "old fashion" police work is still important today (e.g. an eye witness account, interviewing a suspect, obtaining a latent print, etc.), video footage of a suspect's actions is making the difference between capturing and not capturing a suspect.

I have many examples of this, but one that comes to mind this week is of a bicycle theft which occurred at 510 Bush Street on May 2<sup>nd</sup>. There was a great image of the suspect stealing the bicycle. As a result, a bulletin was developed and an email was developed for officers. Within days, Central Station Officers Zachary McAuliffe and George Tano captured the suspect. Excellent police work! The image made all the difference in this case.

### Traffic Enforcement

Thanks to Sergeant Panina and Officer Courtney, 17 citations were written for failing to yield to a pedestrians this week at Sansome and Green. Pedestrians hit in a crosswalk is what we are trying to avoid, in line with our City's Vision Zero Plan to eliminate pedestrian fatalities by 2024.

### Great Arrests

Officers Matthew Ortega and Christian Etei made a great arrest the other day. They observed a person riding his bicycle on the sidewalk on May 15<sup>th</sup>. This was 2:20 a.m. and he was riding without proper lighting equipment. They noticed the suspect had a flashlight and a screwdriver was sticking out of his back pocket. As a result of their investigation, they recovered plyers, a folding knife, a crowbar and narcotics paraphernalia. I am certain they prevented a burglary in the neighborhood that morning.

### IRS Scam

Often I speak with the community about the various scams. Most often, people will tell me that a person attempted to scam them by calling them and telling them they are from the IRS. The suspect will proceed to tell a person that they owe the IRS and if they do not pay, there will be a warrant for their arrest. The majority of the people I speak with know it's a scam and are frustrated by the call. I have even received this call while I was working.

*Continues on page 2*

*Continued from page 1*

On May 13<sup>th</sup>, a 70 year old resident of Telegraph Hill received this very same call. The suspect told the victim "I am Officer Jackson with the US Treasury." The suspect said the victim owed \$6,000 in back taxes and was subject to immediate arrest. The suspect instructed the victim to purchase \$2,000 in pre-paid gift cards and immediately call the suspect back. The victim did this and called the suspect back. The suspect asked the victim to scratch the back of the card and read him the numbers. Soon after, the suspect called her back attempting to get the victim to do it again. It was at this time, the victim realized this was a scam. Please let everyone you know about this scam so it does not happen to them, especially our elderly.

### Best Email of the Month

A week ago, I received the following email from a young student:

"Dear Captain David Lazar, Thank you for all you do to keep our Central area of the city safe. My teacher dropped me off after a late night at school (around 10pm-my walking buddies had already gone home) and received a citation on the way. The officer was very kind and working to keep us safe. My teacher was also helping me get home safely in the same spirit as the officer, so as you might be able to empathize, I felt so bad he was affected negatively along the way.

I wanted to request if there might be anything we could do to make this citation less for my teacher.

Your Statement of Purpose says, "we will provide service with understanding." I know these request can be tricky, but if there is anything you or someone else may be able/willing to do to make this citation less or gone away, it would mean a lot. Any guidance would be much appreciated. Thanks again for all your team does."

I very much enjoyed this email because I liked the fact that the student cared that much for his teacher and wanted to help him in exchange for getting a ride home. I sent the young person an email in return explaining that the only possible way the ticket could be dismissed would be by protesting in traffic court. While I had his attention, I asked if he wouldn't mind receiving this weekly newsletter which he happily agreed. I am glad to have made a new friend.

### Vacation

My son is graduating from high school this Saturday. My family and I have a scheduled trip and I will be returning to work on May 31<sup>st</sup>. In my absence, Lt. Molly Pengel will serve as the Acting Captain. Please feel free to contact her at [molly.pengel@sfgov.org](mailto:molly.pengel@sfgov.org). I will be returning emails on May 31<sup>st</sup>.

Have a great weekend!

# Featured Citizen of the Month

## Daryl Babbitt

*Each month Central Police Station features a citizen who represents the unique flavor of the Central Police District. This month we interviewed Daryl Babbitt. Daryl is on the Community Police Advisory Board.*

Daryl was raised in the L.A. area and attended UCLA and then UCSF where she graduated with a Degree in Nursing. She went on to become a Pediatric Nurse Practitioner and worked in Arcata and Eureka for about 20 years. She moved to San Francisco on Telegraph Hill 11 years ago and retired from nursing about 8 years ago. Since then she have volunteered with the SPCA and SAFE and organized the Neighborhood Watch group 3 years ago, encompassing Union, Montgomery, and smaller streets and steps close by. Through the years, the membership has grown to about 75 households. For the past 2 months, she have represented Telegraph Hill at the monthly meetings of the Community Police Advisory Board led by Captain Lazar.

She appreciate the feeling of belonging to a neighborhood where both the people who live here or visit and the surroundings are cared for and respected. Through the meetings and social gatherings, most of the residents recognize their neighbors. Any issues on "the hill" and especially concerns about safety are emailed to over 200 people. Central Station is always included in these emails and respond as needed. Now there are officers walking up and down the Filbert and Greenwich steps, sometimes twice a day!

In the last five years, she have noticed more of a police presence in Central District and more participation in community events in an attempt to gain trust and reduce fear. There has also been much more participation and creativity by police and others to look for ways to decrease the problems and crime in every neighborhood.

- The POST test will be waived for those who have taken it within the last two years and have achieved a score of 42 or higher. However, you will still need to complete an application and attend a PHQ session. Bring a copy of documentation which includes the date you completed the POST test and your score.

- SFPD will evaluate the results of the PHQ and invite the most suitable candidates to participate in the physical ability and departmental interview.
- If you are invited to the physical ability and departmental interview, but cannot attend, you will not be eliminated from consideration. Like the written test, the physical ability and departmental interviews will be held every month. This means you can attend a later session.
- If you have problems passing the physical ability, you won't be eliminated. This means you can increase your physical conditioning, come back, and try again. We want you to be successful in the process.
