Captain Lazar's Message

Thank you Chief Suhr!

On behalf of all of the officers assigned to Central Station, I would like to thank Chief Suhr for his leadership and for his 34 years of service in the Department. I first met Chief Suhr when he was a Sergeant and came to my academy class 24 years ago to make a presentation regarding narcotics. At the time, he was assigned to the Narcotics Detail. A couple of years later, Chief Suhr was a newly promoted Lieutenant and I was fortunate to work for him for two years as an officer assigned to Mission Station. Years later, when I was a Lieutenant in 2004, he asked me to work for him in the Operations Bureau. He was then the Deputy Chief of Operations and asked me to develop the Operation Outreach Program as the Department's liaison with the City on all homeless issues. To this day, we still have officers assigned to address homelessness and outreach. When Chief Suhr was made Chief in 2011, I was assigned to the Urban Area Security Initiative handling Homeland Security Grant Funding and planning for America's Cup. Later, I was transferred to the Police Academy and then to this incredible assignment at Central Station.

I am personally grateful for his mentorship over all the years and I wish him the very best in retirement. Please see the attached website link congratulating him on all his years of service to the City and County of San Francisco.

We look forward to working with Chief Chaplin who I have known most of my career. He has been outstanding in all of his assignments. Chief Chaplin comes to the job with a lot of credibility from the officers and the community. As an organization, we will continue to move forward!

Commanding Officer Central Station*

Market Street Corridor Deployment

Beginning Saturday, Officer Tom Cunnane will be assigned to the Market Street corridor. This is a new assignment and he will be responsible for high visible patrol from Stuart to 3rd Street, addressing crime, quality of life, providing resources to the homeless and making sure we are visible to address problems. Officer Cunnane has been assigned to the Union Square area for the last 10 years and his experience is invaluable. This is a great win for Market Street!

Personnel changes

I would like to thank Officers Keith Happle, Anthony Oerlemans, William Bardsley, Robert Ramirez, Gregory Foote, David Dito, Robert Clendenen, Matthew Eng, and Nicholas Hooley for their work at Central Station and the service they have provided to the community.

We welcome to Central Station Officers Robert Kerrigan, Glennis, Unser, Solar Naderi, Jason Robards, Eleonado Zandanel, Geoffrey Bowker, Alvin Chan and Jared Monroe to Central Station.

Meeting Schedule Change

I would like to apologize for the last minute community meeting change on Thursday, May 19, 2016. Our message to the community was abrupt. The Russian Hill Neighbors called a community meeting that previous Monday and because of a scheduling conflict, I canceled Thursday's meeting in lieu of Monday's Russian Hill meeting. I am planning another meeting to discuss crime in Russian Hill. If you are interested, please send me an email. I thank you for your partnership and our work together.

Reporting Crime

Please continue to phone the police and report crime. We need your assistance. Lately, the station has received calls for service where the community is asking for police assistance and are saying that I said to call the station. Please call 911 in an emergency or 415-553-0123 in a non-emergency. A call to the station is only if you would like to speak with an officer because you have a question. Calling the station will delay your response for an officer.

Russian Hill Neighbor's Event

There will be a Russian Hill Neighbors event for children on Saturday from 10:00 a.m. to 12:00 p.m. This is a meet and greet fun event. I will be attending along with officers from Central Station. I hope to see your there.

Have a great weekend!

Captain David Lazar
Central Station

We thank Assistant District Attorney Karen Catalona for her work as a Neighborhood Prosecutor at Central Station.

We welcome Assistant District Attorney Charlie Bisesto.

SFPD Experiences Continued Success with Opiate Overdose Reversals

Over the past year the San Francisco Police Department partnered with the Harm Reduction Coalition's Drug Overdose Prevention and Education (DOPE) project. The collaboration has resulted in SFPD cars being equipped with lifesaving Narcan kits. Officers have been trained on how to recognize life threatening opioid overdoses from such drugs as heroine and prescription painkillers and administer the intranasal naloxone as an antidote. In the past three months, SFPD officers have saved three persons using Narcan Kits.

The first incident occurred on Friday, March 18, 2016 at approximately 2:06 AM when several San Francisco Police officers from Mission Police Station were flagged down at 13th and Folsom Street regarding an unresponsive person. A witness informed the officers that the subject may have overdosed. The officers notified dispatchers to have paramedics respond. Several other officers arrived on scene. Officer Robby Willkom retrieved a department issued trauma kit equipped with a Naloxone (Narcan) rescue kit. Willkom determined the subject was displaying signs of an opiate overdose and administered one intranasal dose of naloxone hydrochloride to each of the subject's nostrils. As medics arrived on scene, the subject began to become responsive and was subsequently transported and treated at a local hospital.

On Saturday, May 14th at 7:18PM two officers from Southern Station were dispatched to a gas station on the 1500 block of Harrison Street. Upon arrival, the 21 year-old male victim was located lying on the floor of the restroom. The officers saw that the man's face and fingertips were blue, identified "track marks" on his arm and upon further assessment, quickly determined that the victim was likely suffering from an opiate overdose. After radioing for an ambulance, Officer Daniel Kelly administered the Naloxone medication. After approximately ten seconds, the victim took deep labored breaths and the blue coloration gradually began to dissipate.

He was transported to St. Francis Hospital where he was later interviewed by Kelly and his partner. Through that interview, they determined that the victim had entered the gas station restroom to use heroin. The officers left the victim in stable condition, in the good hands of hospital staff.

The third incident took place at 1:03AM on Monday, May 16th. Mission Station officers responded to Clinton Park on a possible overdose call. When they arrived, they found an unconscious adult male. He was with a friend who told the officers that the victim had just injected a potent amount of heroin. The officers requested an ambulance and retrieved the Narcan Kit from their police car. The victim's lips were blue, his skin was pale and he exhibited shallow breathing. Officer Malek Jisrawi administered one dose of the Narcan and the victim awoke almost immediately. He was transported to CPMC Davies Campus for further evaluation and treatment.

Since 2015, San Francisco Police officers have responded to 7 incidents in which Narcan kits have been used to save the lives of those experiencing an overdose. The officers involved in these incidents are eligible for an appropriate commendation award. The Narcan kits have become an extremely useful tool in helping officers as first responders and in safeguarding lives. Prompt screening and assignment of 9-1-1 calls by Department of Emergency Management Dispatchers and early intervention by SFPD officers equipped with Narcan Kits combined with skilled care and transport by paramedics to an emergency room all increase the chances of survival for an overdose victim.
