## Captain Lazar's Message

### North Beach Festival

The North Beach Festival is this coming weekend. We have developed plans for a safe and enjoyable event. I look forward to being at the festival both days and saying hello to many members of the community.

*Captain David Lazar*  
Commanding Officer Central Station

### Traffic Enforcement

We are stepping up traffic enforcement in the Central District. You may have seen some news coverage on our effort along the Embarcadero and last week I mentioned how we wrote 33 citations at Sansome and Green.

Every Officer assigned to Central Station is conducting traffic enforcement and I am no exception. Yesterday, while on my way to a meeting in the Financial District, a motorist was holding up traffic, approximately 10 cars, at Broadway and Stockton. This person was determined on making a right turn from the left lane and the right lane was not letting her turn. I happened to be one of the 10 cars held up so she received a citation from me.

### Great Police Work

As you look through the newsletter, you will see a recap of reported crime in the Central District this week. Once in a while, I have the opportunity to demonstrate the great work performed by the Officers assigned to Central Station:

#### 3 Cases:

On Saturday June 6<sup>th</sup> at around 7:30 pm, a woman was on the 1600 block of Stockton Street, when the suspect grabbed an I phone out of the victim's hand. The victim struggled but lost the struggle. Ping Yuen Housing **Officers Uang and Nguyen** observed the suspect vehicle on the 500 block of Francisco where they took the suspect into custody.

She called 911 as the suspect fled down the stairs and into the courtyard. **Officers Tiimalu and Nord**, two of the responding Officers, captured the suspect in the victim's garage.

On Monday, June 8 at around 8:30 a.m., Officers responded to the 800 block of Geary on a report of a man who climbed up a fire escape and into the building.
