Central Police Station Newsletter

CAPTAIN'S MESSAGE

I want to thank the Community and Officers assigned to this year's 60th annual North Beach Festival. One Sergeant commented that it was the safest event we had in 5 years with no arrests on Saturday. This is due to great planning and more importantly, the collaboration between Central Station, the organizer and the residents and merchants of North Beach.

You will see we added a different look to the newsletter by summarizing the incidents and adding more than "noteworthy incidents." The goal of our weekly newsletter is to inform readers and discuss ways of staying safe and preventing crime. I am a big proponent of educating others about staying safe and I believe crime prevention is an essential strategy to reducing criminal incidents.

In addition, it is important I make you aware of the incredible work performed by the men and women of Central Station.

The Crime Prevention issue I would like to focus on this week is Auto Burglaries. Please let everyone you know to not leave anything of value or visible inside of their vehicle. This would include leaving items in the trunk because we have seen trunks broken into. This, I believe, will greatly reduce auto burglaries. I make it a point to have nothing inside of my vehicle.

A Chinatown Public Safety meeting has been scheduled for **Wednesday, July 2, 2014 at 5:45 p.m. at the Gordon J. Lau Elementary School located at 950 Clay**. The purpose of the meeting is to introduce myself to the Chinatown Community and to discuss personal safety, crime prevention, reporting crime and language access. I look forward to meeting the attendees and I will be bringing members of Central Station, including the Chinatown Beat Officers, for everyone to meet.

Have a great weekend!

SAFETY AWARENESS FOR EVERYONE

San Francisco S.A.F.E

OUR MISSION

SAFE, engages, educates, and empowers San Franciscans to build safer neighborhoods through crime prevention education and public safety services that result in stronger, more vibrant and resilient communities.

OUR HISTORY

San Francisco SAFE, Inc. (Safety Awareness for Everyone) is a community crime prevention and public safety program that works in cooperation with the San Francisco Police Department and other city agencies to help San Franciscans protect themselves from becoming victims. SAFE was created in 1976 as a project of the SFPD. In 1980, SAFE became a non-profit 501(c)(3) corporation, and 30 years later, continues to act as the crime prevention component of the police department. A major portion of SAFE's income comes from a grant contract with the SFPD, but SAFE also receives donations and grants in order to expand and enhance our crime prevention and public safety services. SAFE has also received numerous grant awards from the City and County of San Francisco, the San Francisco Mayor's Office, State Office of Criminal Justice Planning and local foundations. We have provided major support to the San Francisco Police Department and Mayor's Office by acting as a fiscal agent for these federal and state funded grants, along with participating in numerous crime prevention activities as a part of these grants.
