## Captain Lazar's Message

### Safeguard Your Cellphone

I know I have mentioned this many times in previous newsletters. Quite often, we receive reports from citizens about their cellphone being taken right out of their hand by a suspect who takes off running or on a bicycle. Yesterday, a tourist in Chinatown watched as a suspect took a phone from a woman. The suspect ran off and the tourist pursued him, yelling out for people to help. We believe three more tourist captured the suspect a few blocks away. When officers arrived, the tourists left the scene.

Today, a young person almost walked into me on Kearny Street, distracted by her phone. Please safeguard your cellphone and pay close attention to your surroundings.

Commanding Officer Central Station

### National Night Out-SAVE THE DATE!!!

Tuesday, August 2, 2016 at the Salesian Boys' and Girls' Club.

### Chinatown Night Out-SAVE THE DATE!!!

Tuesday, September 6, 2016 at Portsmouth Square.

### Russian Hill

Once in a while, I receive a complaint from residents on Russian Hill who report tour buses violating the posted signs by traveling in their area. **Officer Sean McGuire**, a motorcycle officer, has performed some great work issuing 8 citations in the last few days.

### Failure to Yield to a Pedestrian

Driver's failing to yield to a pedestrian is one the primary causes of injury collisions in the Central District. Tomorrow from 3:30 to 4:15 p.m., I am going to wear my regular clothes and attempt to cross the street at Columbus and Francisco. Those who do not yield to me will be issued a citation.

### Youth Engagement

We are working to build bridges with our youth who live in the Ping Yuen Housing Development. Tomorrow evening, **Officers Vanessa Johnson and Kimberly Ng** from our housing team will be at the YMCA participating in a BBQ and basketball event. We have an entire plan for the Summer for both the Ping Yuen and North Beach Place.

**Illegal Fireworks Enforcement**

Officers did an outstanding job, led by **Lt. Brien Hoo**, on this year's enforcement in Chinatown.

# Featured Citizen of the Month

## Aline Estournes

*Each month Central Police Station features a citizen who represents the unique flavor of the Central Police District. This month we interviewed Aline Estournes. Aline is on the Community Police Advisory Board.*

Aline lives in Marin, but she has worked in San Francisco for nearly 30 years.

Although Aline's favorite part of San Francisco is the North Waterfront area, she finds that the Central District has many areas that are unique to San Francisco; for example Fisherman's Wharf, North Beach, Lombard Street, Chinatown, Financial District, Ferry Building, Telegraph Hill and Russian Hill. She says that "you turn a corner and, viola, you're in a whole new neighborhood or community." She enjoys the diversity and the cultures that she can experience and learn about.

Aline manages the North Point Shopping Center and Apartment complex and she is also happily part of the Central District's Community Police Advisory Board. Aileen believes the safety and care of the residents is very important and being able to partner with the Captain and the officers of Central Station allows the Community Police Advisory Board to support their effort and better understand what is involved and necessary in policing in the community.

Aline noticed that the Central District has become home to more people and the City continues to look ahead and fund projects that will keep the area attractive and viable for both those that live and work here and for others who come from around the world to experience what we have here every day.
