Captain Lazar's Message

4th of July Holiday

I hope everyone had a great Independence Day Holiday last Saturday. There were several Officers assigned to Fisherman's Wharf and thousands of people were there to enjoy the fireworks show. We made sure Officers were on the Wharf early this year as crowds began gathering around 11:00 a.m. We covered the Wharf and Coit Tower. In the end, we made approximately 6 arrests, mainly for people being intoxicated in a public place, a vandalism arrest and a robbery arrest which occurred at Jefferson and Jones. Officers did a great job!

National Night Out

Central Station's Community Police Advisory Board has been working for several months on this year's National Night Out. National Night Out is always the first Tuesday in August and is held all across the country, in 16,000 communities where the police and the community come together in partnership against crime and to promote crime prevention and safety. For those who attended last year, you may remember the event being held at Joe DiMaggio playground. This year, it will be held on the 600 block of Filbert between Powell and Stockton. The event begins at 5:00 p.m. on **Tuesday, August 4, 2015**. Please see the attached flyer in today's newsletter. I hope to see you there!

Video Surveillance System

Every chance I have when speaking with the community, I mention the importance of installing a video surveillance system in the home or business. I have some good examples of how cases are solved by the use of these systems. The example I share with you this week is a burglary on the 200 block of Columbus Avenue on June 27th. The suspect entered a business in the middle of the night and stole cash and other items. The owner had a video system recording which captured the suspect and his movements. We put these photos out on our internal email system and that same day a Sergeant from Northern Station and a Sergeant from Richmond Station both identified the same person. As it turns out, the suspect is out of custody currently on a prior burglary offense and is wanted in another burglary case. The video made this case!

Traffic Enforcement

I thank **Sergeant Larry Chan** and the Officers of Central Station who had three focused Traffic Enforcement Operations this month resulting in the issuance of 90 citations. The majority were for illegal turns, however, some were for failing to yield to a pedestrian in the crosswalk and for running stop signs. Excellent work!

A Citizen Complimentary Phone Call

The other day I received a phone call from a very nice woman who resides in Brackettville, Texas. She and her family enjoyed their stay here in San Francisco. However, they had a frightening experience when they lost track of their 9 year old child last week at Pier 39. They phoned the police and Central Station **Officers Nicholas Hooley, Jimmy Tran, Tiffany Gunter and Keyon Watson** responded to the scene. After a terrifying hour or so, the Officers were able to locate the 9 year old who was safe and a little scared. I commend these Officers for their tremendous work during this incident as does the Mother who phoned me from Texas!

Vacation

I split my vacation this year, taking four days during the first week in July. I worked this week and will be on vacation from July 13th through July 16th. Lieutenant Hector Jusino will be the Acting Captain. He may be reached at hector.jusino@sfgov.org

Have a great weekend!
