Captain Lazar's Message

National Night Out

The final plans have been developed for an incredible National Night Out event. I want to thank the several community based organizations who have assisted in promoting the event.

National Night Out will be on the 600 block of Filbert Street and will begin at 5:00 p.m., this Tuesday evening, August 4th. I hope to see you there!

Commanding Officer Central Station

National Lasagna Day Competition

I would like to thank Trish Herman from North Beach for inviting me and my family to the first lasagna competition last evening at the Italian Athletic Club on Stockton Street. Trish selected me as one of the judges along with Capt. Tony Rivera from the SFFD, Father John from St. Francis of Assisi and a couple of members of our community. It was a lot of fun and congratulations to Alimento at 507 Columbus for winning the competition!

Crime Fighting

Today I received an email from a member of the community who basically believes no arrests are being made on auto burglary cases. Central Station's plainclothes team have made nearly 80 arrest year to date, including an arrest last evening of an individual who has been arrested at least 3 times in the last couple of months. He drives around posing as an Uber driver but actually is scoping out parked cars.

Youth Engagement

I am grateful for the work of the SFPD Wilderness Program. This was my first interaction as a young person in 1982, participating on backpacking trips and outings with San Francisco Police Officers. It gave me the opportunity to see that Police Officers are regular people. Because of these experiences, I decided at a young age to become a Police Officer. On July 15th, Officers from the Wilderness Program brought young people from Cameron House to a day hike in the Presidio. 21 eight year olds, 8 staff members and 3 Police Officers! Great work!

Work to protect your valuables

As I read each report every day, I often think about how some of these crimes can be avoided. Here are my thoughts:

1. Do not leave anything in your vehicle.
2. Do not walk around in public with your cell phone in your hand.
3. Do not walk alone in poorly lit areas.
4. Do not provide your personal information over the phone.
5. Safeguard your valuables when walking around in public.
6. If you think something is suspicious, phone the police.
7. Make sure someone can receive the package you order online so it is not left on your door step.
8. Do everything you can to secure your residence and business such as adequate lighting, an alarm system and a video camera system.
9. Join a neighborhood watch, get involved and meet your neighbors.
10. Do everything you can to safeguard your credit and finances.

These steps would eliminate 75% of our incident reports!

Great firearm arrest!

Congratulations to **Officers Khmarskiy and Watson** who arrested an individual on a bicycle at Larkin and Geary two nights ago. The bicyclist was armed with a firearm in his backpack. Good job!

Have a great weekend!
