Captain Lazar's Message

Pedestrian Safety!

We had a successful pedestrian traffic enforcement operation last Friday. Officer Kevin Worrell and I, in regular clothes, walked across Columbus at Francisco. Several vehicles did not yield the right of way. As a result, 17 motorists received a citation. We will continue to work on Vision Zero as part of the City's plan to eliminate pedestrian fatalities by 2024!

My next planned enforcement operation is Monday, August 22, 2016 at 4:00 p.m. at Francisco and Columbus. I am grateful for the community members who came by to support our efforts.

Commanding Officer Central Station*

Chinatown Night Out

Mark your calendars, Tuesday, September 6, 2016 at 5:00 p.m., we will be hosting, in partnership with the Chinatown Community Development Center, the Chinese Chamber of Commerce, Self Help for the Elderly and the Chinatown YMCA, our 3rd Annual Chinatown Night Out.

Chinatown Night Out, modeled after National Night Out, is an event focused on public safety awareness with our monolingual speaking residents and merchants. One of the main topics we will be discussing is the blessing scam which is back in full swing. There have been two victims in the Central District and one in the Richmond District. The total loss is over \$100,000 dollars.

I invite all of you to join us for Chinatown Night Out!

Twitter

As a reminder, you may join us on Twitter (@SFPDCentral) to stay connected to the work we are doing in the community. I have joined "WeChat" as well, although I am still figuring out how to use it.

Community Meeting

My next community meeting is Thursday, August 18, 2016 at 6:00 p.m. at the Italian Athletic Club on Stockton Street. Please join me as we talk about recent crime issues in the Central District and our strategy to address crime.

Walking the Beat

Supervisor Peskin and I will be walking the beat on Stockton Street in Chinatown this Monday at 1:30 p.m. to meet and greet the merchants. I put a plan together recently with the Chinatown Foot Beat Officers. I have assigned them, along with the Housing Officers, specific blocks in Chinatown (about 4 or so), so that they can say hello and interact with the community.

Last, I would like to thank the officers assigned to Central Station for all they do to make our neighborhoods safe. These are challenging times for law enforcement as we work to maintain partnerships with the community we serve. I often remind the officers about how much support they have from the residents and merchants of the Central District. I am reminded of this daily when I interact with all of you. We are grateful for your support and we will continue to provide quality policing services in the Central District.

Four Friendly Reminders:

1. Do not take your cell phone out in public.
2. Do not leave anything in your vehicle.
3. Safeguard your credit and personal information.
4. Call 911 right away when you believe a crime is occurring.

Have a great weekend!

Captain David Lazar
Central Station

Featured Citizen of the Month

Randal DeMartini

Each month Central Police Station features a citizen who represents the unique flavor of the Central Police District. This month we interviewed Randal DeMartini. Randall is the Executive Director of the Salesian Boys' and Girls Club.

Randal was born and raised in North Beach. He attended the Salesian Elementary Catholic School of Sts. Peter & Paul and went on to attend Sacred Heart High School. After he graduated from high school, he was offered an assistant job at the Salesian Boys' Club (before the merge with Girls') working with the youth of the city. After 37 years, he was elected to be the 4th Executive Director of the club's nearly 100 years of existence. He went from taking care of the children of San Francisco to fundraising and making sure the club continues its fabulous tradition. He loves working with the youth of San Francisco, keeping them off the streets and preparing them for adulthood. The Club's motto is "A structured foundation for the youth of today promises to bring a brighter future for the world of tomorrow!"

Randal's favorite thing about the Central District is how friendly and cooperative every officer he encountered for assistance.

The significant changes that Randal has noticed in the Central District in the last five years is the younger, exuberant, energetic officers who work at the station. He believes those who work at Central Station really go out of their way in supporting the community and not just policing it for all the negative incidents that occur. He thinks that it may be why North Beach is the greatest district in the world. He believes the police officers are friendly and try their best to avoid confrontation.

Featured Officer of the Month

Officer Ryan Hart

Each month Central Police Station features one of its officers in an effort to learn more about the men and women who police our neighborhood. This month, we interviewed Officer Ryan Hart, a 1-year member of Central Police Station.

Officer Hart was raised in Wisconsin and attended California State University, Hayward where he received a Bachelor's Degree in Criminal Justice.

Officer Hart joined the San Francisco Police Academy in June 2007. After graduating from the Police Academy, he was assigned to Northern Station for his field training. After completing field training, he was assigned to Tenderloin Station for his probation station. After his probation, he was assigned to Ingleside Station for his permanent station.

In September 2015, Officer Hart decided to take his transfer to Central Station. His favorite thing about the Central is working with his fellow officers.

Officer Hart is a Field Training Officer where he help train officers who just graduated from the Police Academy.

Officer Hart works in a patrol car and can be seen patrolling throughout district.

San Francisco Police Warn Chinese Community of Latest Scam Incident

San Francisco Police are alerting the Chinese community of the latest in an ongoing series of scams targeting older Chinese victims, resulting in great financial loss. The most recent incident occurred yesterday, August 8, 2016. As a result of the scam, one victim lost over \$40,000 in U.S. Currency.

In this incident, the victim was approached by the first of three female Cantonese-speaking suspects. The suspect asked the victim if she knew a doctor in the area because a family member had fallen severely ill. The second suspect joined the conversation stating she knows a doctor, and persuades the victim to all visit this doctor together.

While en-route to the doctor, an additional suspect approached the group and acted as a fortune teller. This fortune teller told the victim a loved one will be cursed because she will mistakenly step in the blood of another person. To relieve the curse, the victim must present her with valuables to be "blessed."

The suspects convinced the victim to bring valuables, consisting of currency and jewelry to a nearby street. A "blessing" was performed. Through sleight of hand, another bag containing worthless items was given back to the victim. The victim was instructed not to look in the bag for a specified amount of time or the "blessing" would be invalidated.

San Francisco police urge older members of the Chinese community to be suspicious of strangers claiming to provide relief from a curse or who provide "purification" ceremonies in which cash and valuable items must be offered as part of the process. Potential victims are strongly advised to contact police immediately if confronted with such a situation.

Anyone with information is asked to contact the Central Station Investigation Team at 415-315-2400, the SFPD Anonymous Tip line at 415-575-4444, or Text a Tip to TIP411 and begin the text with SFPD.

NATIONAL PARK SERVICE
SAN FRANCISCO MARITIME NATIONAL HISTORICAL PARK
2 MARINA BLVD. BLDG. E, FORT MASON CENTER
SAN FRANCISCO, CALIFORNIA 94123-1382

Dear Neighbor:

San Francisco Maritime National Historical Park wishes to inform you of a construction project that will affect use of the Aquatic Park Historic District during the fall of 2016 and early winter of 2017. During that time, the Aquatic Park Promenade, the curving pathway which runs along the shoreline from the end of Jefferson Street to Van Ness Avenue, will be closed for rehabilitation. The project will remove the railroad tracks, and then smooth and repave the pathway.

This rehabilitation work is a major capital investment which will address safety issues and make the trip along the Aquatic Park Cove more pleasant for all. During the time of the project, however, the Promenade will be closed to pedestrian and bicycle traffic, and park visitors will need to find an alternate east-west route.

At this time, the project's performance period is scheduled from October 12, 2016 to March 17, 2017. The Promenade will likely be closed shortly after the City's annual Fleet Week celebration, and will reopen as soon as the work is complete.

We appreciate your patience during this construction project, and look forward to offering all of our visitors a safer and more enjoyable experience.

For further information and construction updates, please check the park's website, <http://www.nps.gov/saft> or contact Lynn Cullivan at 415-561-7006.

Sincerely,

Kevin Hendricks
