Captain Lazar's Message

Cell Phones!!

As a reminder this week, please safeguard your cell phones when in public. There have been several reported incidents of a person having the phone snatched right out of their hand or the phone taken when left on a table for a moment in public. I recently counted one morning, as I traveled to the station through Russian Hill, about 35 people with phones in their hand. It will be difficult to turn this problem around when people are unaware that they are seen as targets by opportunistic thieves. Please be careful!

Speaking of cell phones, Officer Korte made a great arrest the other day when a cell phone thief took a phone from a victim at Sutter Fine Foods in Nob Hill and was captured. We will continue our work in capturing suspects. I also believe crime prevention and education are essential tools in reducing the number of incidents.

Fisherman's Wharf Foot Beats

The Fisherman's Wharf Foot Beat Officers are doing an excellent job addressing crime in Fisherman's Wharf. As you may know, we have a night foot beat on patrol. We are working to keep tourist and local visitors safe. Officer Stewart made an arrest yesterday of a person on the 100 block of Jefferson who was wanted for an aggravated assault.

Pedestrian Safety

We had a successful enforcement operation on Monday afternoon at Columbus and Francisco. Officer Worrell and I crossed the street several times with motorists just ignoring us. 20 citations were written in an hour. Beginning in September, I plan on running approximately 5 of these focused enforcement operations around the Central District.

Chinatown Night Out

Please mark your calendar for our version of National Night Out in Chinatown called "Chinatown Night Out." We expect over 1,000 people to attend as we talk about personal safety including robbery, burglary and blessing scam prevention. We also plan on serving dinner to all those in attendance. Chinatown Night Out is scheduled for Tuesday, September 6, 2016 at 5:00 p.m. in Portsmouth Square. I will see you there!

Outstanding Robbery Arrest!

Central Station Officers made an incredible robbery arrest on Tuesday. Around 6:30 p.m., a woman was at Hyde and Union when she was robbed of her purse by a few suspects. The suspects fled in a vehicle. Plainclothes Officer Huang, who is featured frequently in my newsletter for his outstanding police work, decided to go to Market Street to see if the violent robbery suspects would be in the area attempting to quickly fence the stolen property.

Officer Huang noticed the suspects walking down the street in what he described as "jovial" as they were smiling and appeared to be shuffling cash in their hands. Officer Huang kept up his observation of them as they entered a vehicle and began to drive out of the area. Officer Huang called in for additional officers and a stop was made on the vehicle at 13th Street and Bryant where all 3 robbery suspects were taken into custody!

Great work by Officer Huang and all the officers involved!

Have a great weekend!

Captain David Lazar
Central Station

Officers Johnson, Ng, Sherman and Sylvester participated in the North Beach Place Backpack Drive on August 18.

Featured Citizen of the Month

Randal DeMartini

Each month Central Police Station features a citizen who represents the unique flavor of the Central Police District. This month we interviewed Randal DeMartini. Randall is the Executive Director of the Salesian Boys' and Girls Club.

Randal was born and raised in the North Beach of San Francisco. He attended the Salesian Elementary Catholic School of Sts. Peter & Paul and went on to attend Sacred Heart High School. After he graduated from high school, he was offered an assistance job at the Salesian Boys' Club (before the merge with Girls') working with the youth of the city. After 37 years, he was elected to be the 4th Executive Director of the club's nearly 100 years of existence. He went from taking care of the children of San Francisco to fundraising and making sure the club continues its fabulous tradition. He loves working with the youth of San Francisco, keeping them off the streets and preparing them for adulthood. The Club's motto is "A structured foundation for the youth of today promises to bring a brighter future for the world of tomorrow!"

Randal's favorite thing about the Central District is how friendly and cooperative every officer he encountered for assistance.

The significant changes that Randal has noticed in the Central District in the last five years is the younger, exuberant, energetic officers who work at the station. He believes those who work at Central Station really go out of their way in supporting the community and not just policing it for all the negative incidents that occur. He thinks that it may be why North Beach is the greatest district in the world. He believes the police officers are friendly and try their best to avoid confrontation.

Featured Officer of the Month

Officer Ryan Hart

Each month Central Police Station features one of its officers in an effort to learn more about the men and women who police our neighborhood. This month, we interviewed Officer Ryan Hart, a 1-year member of Central Police Station.

Officer Hart was raised in Wisconsin and attended California State University, Hayward where he received a Bachelor's Degree in Criminal Justice.

Officer Hart joined the San Francisco Police Academy in June 2007. After graduating from the Police Academy, he was assigned to Northern Station for his field training. After completing field training, he was assigned to Tenderloin Station for his probation station. After his probation, he was assigned to Ingleside Station for his permanent station.

In September 2015, Officer Hart decided to take his transfer to Central Station. His favorite thing about the Central is working with his fellow officers.

Officer Hart is a Field Training Officer where he help train officers who just graduated from the Police Academy.

Officer Hart works in a patrol car and can be seen patrolling throughout district.
