## Captain Lazar's Message

I hope everyone had a great weekend. We are getting our weekly newsletter out to you on Monday this week and also on Thursday.

It was a busy weekend in the Central with a large showing for the 39<sup>th</sup> Annual Autumn Moon Festival in Chinatown. There was also a good size crowd at Ghirardelli's annual chocolate festival.

Commanding Officer Central Station*

## Monthly Community Meeting-Date Change

We are moving our community meeting from this Thursday to the following Thursday, September 22, 2016 at 6:00 p.m. This month's meeting will be at the Clift Hotel, 495 Geary Street. I hope to see you there as we discuss current issues in the Central District.

## Chinatown Night Out

We had an incredible Chinatown Night Out last week. I am grateful for all of the community organizations who not only worked together to plan this year's event, but all those who participated. We worked to get the message out about personal safety and the theme was "building partnerships." We have enclosed a few photos from the event in today's newsletter.

## Principal's Breakfast

This week I am hosting my 2<sup>nd</sup> annual Principal's Breakfast in partnership with Dr. Dennis Chew, Principal of Gordon J. Lau Elementary School. We have invited all of the Central District's School Principals as a way to not only show our appreciation for the work they do, but also to emphasize the importance of having a strong partnership with them. I have invited a few Lieutenants and Sergeants from Central Station, Supervisor Peskin, and Officer Courtney, our station's School Resource Officer.

### Great Police Work!

Central Station Officers continue to work hard to keep our community safe. There are a few incidents I would like to highlight:

On August 25<sup>th</sup>, Officers Anderson and Burchard saw a person who matched the description of someone who was wanted on the 300 block of Pacific. It turns out the suspect was the right person. As a result, he was arrested for a no bail burglary warrant. The officers, I am sure, prevented a burglary that evening.

On September 7<sup>th</sup>, Officers Khmarskiy and Bass arrested two individuals for burglarizing an apartment on the 700 block of Jones! Great arrest!

On September 8<sup>th</sup>, Officer Huang spotted a known individual, who hours earlier, robbed a store at Fisherman's Wharf with a firearm. Officer Huang called in officers as they took the suspect into custody. A great arrest!

On September 9<sup>th</sup>, the following day, Officer Huang was at Market and Pine when he observed a juvenile on a stolen bicycle. Officer Huang, with the assistance of Officer Christensen, took the juvenile into custody. Unfortunately, the juvenile violently resisted arrest and others around began yelling at the officers. No one was injured as a result.

On September 11<sup>th</sup>, Officers Cheng and Williams were on a traffic stop on the 700 block of Market Street. During the stop, they saw a subject waving a metal rod and then observed as he smashed the window of a business. The officers ran over to his location and took him into custody.

### Drunk Driving

We have made quite a few drunk driving arrests lately. Officers on the night watch are doing an excellent job saving lives. Yesterday morning was no exception. Officers Ferraresi and Ospital arrested a 17 year old juvenile for drunk driving at Union and Columbus.

### Last but not least.....

On September 3<sup>rd</sup>, Sergeant Spagnuolo of the plainclothes team, along with Officers Johnson, Ortega, Sylvester and Sherman detained an individual who provided a false name to Sergeant Spagnuolo at Pier 15. The suspect was on a bicycle. While dealing with the suspect, his phone rang. Sergeant Spagnuolo asked the suspect if he wouldn't mind if he (the Sergeant) could answer his phone. When the Sergeant answered the phone, the person on the other end believed it was the suspect and said that he needed the "cutters for a bike." The Sergeant asked, "where are you?" The suspect replied he was on the Embarcadero where he always is. It was then that the owner of the phone began yelling and the Sergeant told the suspect over the phone that he was the police.

These incidents are just an example of the exemplary police work performed daily by Central Station Officers.

Have a great week!
