## Captain Lazar's Message

Congratulations to Officers Jared Lovrin and Caitlin Lowe for their great work in serving the community. Yesterday morning, they responded to a stranded motorist in the Broadway Tunnel. They didn't realize that the stranded motorist was comedian Scott Capurro along with his husband. The officers went above and beyond by returning to the station for our jump box in an effort to jump start the car, but it did not work. Then they found out that Mr. Capurro's tow service would not allow for towing out of the tunnel so the officers assisted in pushing the car out of the tunnel.

They spent an hour with Mr. Capurro, not knowing who he was, going above and beyond what is expected. This would of never made it to my attention had it not been for the fact that Mr. Capurro is a frequent guest of the Alice radio show on 97.3 FM. This morning, Mr. Capurro was very complimentary of the two officers on the show and what they did for him. Great work!

## Principal's Breakfast

Thank you Dr. Dennis Chew and Gordon J. Lau Elementary School for hosting this year's Principal's Breakfast. Officers Kevin Worrell and Ryan Jones did a great job cooking breakfast for the Assistant Superintendent and most of the school principals in the Central District. We are grateful for Supervisor Peskin attending as well. Our relationship with the schools is important and the principals do a tremendous job with their students. I would like this tradition to continue year after year.

## Honoring First Responders

I want to thank the Fisherman's Wharf Rotary Club who will honor some of our officers this evening at a small gathering. Every year, the Fisherman's Wharf Rotary hosts a breakfast for first responders on or around 9/11. This year, it's a night time gathering. I will be there along with 8 officers from Central Station. We are thankful for the Rotary Club.

### Union Square Cares and the Downtown Street Team

Today I attended a press conference sponsored by the Union Square Business Improvement District. Executive Director Karin Flood and her team have taken the lead in "thinking outside the box" in terms of addressing homelessness. First, they started with Union Square Cares. This initiative was developed so that the Business Improvement District could work to provide services and also direct others to do the same. Now, they have rolled out the Downtown Street Team. This program hires homeless to assist the ambassadors in keeping the area clean while receiving benefits and shelter in return. A person had asked me this morning what we are doing to address homelessness and I mentioned this incredible example.

### Auto Burglaries

I am often asked about the auto burglaries in the Central District. I believe that crime prevention is a very important aspect to resolving this ongoing issue. Crime prevention in the case of an auto burglary means that we work diligently to remind tourists, visitors, residents and merchants to not leave anything in their vehicles. To the extent that we leave valuables, the auto burglars will be in our neighborhoods daily looking in vehicles.

This is especially true in the following two cases:

September 9, 2016 10:40 a.m. to 11:40 a.m. at Chestnut and Leavenworth:  
Stolen: \$2,000 in cash, Apple Laptop, Apple I Phone, Amazon Kindle, various papers.

September 12, 2016 8:00 p.m. to 9:00 p.m. at Clay and Waverly:  
Stolen: \$7,500 in cash, 3 Suitcases, Dell Laptop, Shoes, Cosmetics, 2 Diamond Necklaces and a gold ring valued at \$5,000.

We have more work to do!

Check out these arrests in the last 48 hours:

1. The plainclothes team arrested a burglar who was on a bicycle at 2<sup>nd</sup> and Market Street out looking for his next victim. He had a warrant for his arrest for Grand Theft, Possession of Stolen Property, and Possession of Burglary Tools.
2. The plainclothes team arrested a person who they were watching looking into parked vehicles at Jackson and Davis. They followed him to the Tenderloin on the 900 block of Market Street where they observed him steal a bicycle. The officers arrested him. He had wire cutters in his possession when they captured him.
3. The plainclothes team watched a man in a stolen car, drop off a woman at Green and Broadway. They watched as she began looking into parked cars. They approached the male and he took off at full speed. The female boarded a street car and was detained by the officers. She had a \$50,000 arrest warrant for Burglary, Possession of Stolen Property, Possession of Burglary Tools and Possession of Methamphetamine.
4. The Fisherman's Wharf Foot Beat Officers arrested an individual in Joseph Conrad Park. The person had a \$10,000 arrest warrant for shoplifting. In his possession were bolt cutters, wire cutters, a flashlight, binoculars, a security guard badge, a key and a distinctive wallet. In this case, Officer Stewart recognized the wallet from an item taken a week ago in an Auto Burglary.

*Continued from page 2*

5. Uniformed Officers responded to Bush and Dashiell Hammett on a report of an auto burglary. They detained a suspect who had a no bail arrest warrant for Burglary.
6. The plainclothes team arrested three suspects for burglarizing an auto at Chestnut and Montgomery. They recovered cameras, a computer, cell phones and cash.
7. The plainclothes team arrested two suspects for syphoning gas from a parked car on Bay Street.

In 48 hours, these 7 great arrests which, in my opinion, prevented many more burglaries in our district!

Six things to consider this week!

1. Safeguard your cell phone
2. Leave your vehicle empty
3. Have a good bicycle lock and utilize the education and services of [sfsafe.org](http://sfsafe.org)
4. Do not fall for scams
5. Safeguard your purse and wallet when on the street.

And last.....

Do not leave your valuables unattended at Starbucks!

Have a great weekend
