## Captain Lazar's Message

### New Lieutenants

I would like to congratulate and welcome our three new Lieutenants to Central Station. **Lieutenant Jody Kato** is our day watch Lieutenant and came from Taraval Station. **Lieutenant Sam Christ** is our night watch Lieutenant and came from the Department Operations Center. Last, **Lieutenant Michael Serujo** is our Station Investigations Team Lieutenant and came from Mission Station. They come to Central Station with a combined total of over 70 years of experience in the SFPD. They join our current Lieutenants; **Lieutenant Molly Pengel** from day watch and **Lieutenant Brien Hoo** from night watch. I could not ask for a better team of Lieutenants to lead Central Station. **Lieutenant Jusino** was transferred to Tenderloin Station and **Lieutenant Deshong** was transferred to the Tactical Company. I thank them for their great work at the station and wish them the best in their new assignments.

### District Events

This time of the year is the start of a few community events in the Central District. To name a few, this weekend will be the Autumn Moon Festival in Chinatown on both Saturday and Sunday from 11:00 a.m. to 6:00 p.m. There is also a Kids Safety Fair which is on the Central/Northern border at Helen Willis Park this Saturday from 10:00 a.m. to 12:00 p.m. In the coming weeks, we will have Fleet Week and the Italian Heritage Parade. A busy and fun time for Central Station Officers.

### Homeless

This week I have attended three meetings related to homeless and quality of life issues in the Central District. We now have 5 Homeless Outreach Team workers from the San Francisco Homeless Outreach Team assigned to the Central District. Our goal is to contact them when outreach is needed for individuals. Please do not hesitate to phone the police when there are violations of the law or behavioral/safety issues that need to be addressed. In addition, you may use 311 or the "311 app" on your smartphone for encampments. As I have mentioned all throughout the week, if you feel like you need to call the police, do not talk yourself out of phoning. Please call us.

### Community Partnerships

On Tuesday evening, I had the opportunity to meet with residents from Telegraph Hill to talk about some of the issues we have there. One of the residents, who is very active in the community, invited everyone to her home for the meeting. There were at least 20 people in attendance. What separates this meeting from many others throughout the City is the commitment, involvement, and partnerships of the residents coming together when there are no significant issues taking place in their area. They see the importance of meeting, discussing safety, addressing minor issues and knowing one another. I took away a great sense of community from this meeting and I congratulate them for remaining organized. This Sunday is their block party on Calhoun Terrace, further building community.

### Central District's Public Schools

This morning, **Officer Courtney** and I had the opportunity to meet with the Principal of Jean Parker Elementary School and visit the kindergarten class. I am always impressed with the dedication and hard work of our school administrators. I am working with Dr. Chew from Gordon J. Lau Elementary School to schedule what I am calling the "Captain's Luncheon." I will be inviting the principals of our schools to a lunch so we can meet, greet and talk about school issues. It is important for the Principals and officers to know one another before any emergencies occur in the schools.

### Monthly Community Meeting

Tonight is my monthly community meeting which will be held at the **Hyatt Regency Hotel from 6:00 to 7:00 p.m.** The majority of the meeting will be a presentation by **Sergeant William Murray** of the Traffic Company who will speak about Traffic Safety. I hope to see all of you there. An hour well spent!

Have a great weekend!

The City and County of San Francisco invites you to join a highly respected police department and serve the citizens of one of the most beautiful cities in the country. For example, they patrol districts to prevent and detect crime; respond to calls for assistance; conduct criminal investigations; interact with the community to build cooperation and support; pursue and arrest suspects; enforce traffic and parking laws; write reports and maintain records; work with superiors, peers, and others as a team; prepare for and participate in planned events; prepare for court and give testimony; and fulfill other administrative duties when required. This is much more than a job; it is an opportunity to build a career of which you can be proud.
