## Captain Lazar's Message

I would like to thank all of you who have approached me to let me know how useful the Central Station Newsletter is and how receiving a recap of the crimes is helpful. I believe it is important to get information out to the residents and merchants about crime in the neighborhoods and to let you know what we are working on during the week.

Please remember to ALWAYS safeguard your valuables, do not leave valuables visible in your vehicle, hide your cell phone in public and safeguard your finances. I read all the reports for the last 24 hours every morning. Most of the crime is preventable.

For example, this is how one incident was described in an incident report involving a theft on the 700 block of Columbus:

.....told me that she was sitting in a restaurant near a large open window when a man riding a bicycle stole her purse. The purse was on top of an elevated table next to the window.....

Captain David Lazar  
Commanding Officer Central Station

#### National Coffee With A Cop Day!

Friday, October 7, 2016 is National Coffee with A Cop day. We will have officers from Central Station at Cafe Roma, 526 Columbus Avenue from 8:00 a.m. to 10:00 a.m. Please stop by and have a cup of coffee with your beat and patrol car officers. It always makes for a great conversation. I will stop by for a few moments as well.

#### Speed Enforcement and Traffic Safety

Next month, the Department will be focusing all throughout the City on speed enforcement. Each station has a designated point person to run regular operations in highly traveled areas. Sergeant Dennis O'Mahony is our designated Sergeant. He and his team of officers have been trained on Lidar (new term for radar) enforcement.

In addition, Sergeants Tobin, Panina and I will have a total of 5 Pedestrian Enforcement Operations in the District.

Below are the results of traffic enforcement performed in the Central District by the SFPD Traffic Company Motorcycle Officers and the California Highway Patrol

September 16, 2016: 17 Citations for speeding in the Broadway Tunnel

2 Citations issued for talking on the cell phone.

September 21, 2016: 42 Citations issued by both the SFPD and CHP to motorists who failed to yield to pedestrians at Francisco and Columbus.

Have a great week!

On behalf of all the Officers assigned to Central Station, we mourn the loss of Chinatown Civic Leader Rose Pak.

She worked tirelessly for the residents and merchants in Chinatown for 40 years and was a tremendous supporter of the SFPD and Central Station.

I am grateful to have called her a friend and for the advice she provided me during my time at Central Station.
