Captain Lazar's Message

October 6, 2016

Volume 1, Issue 101

Fleet Week!

This is an incredible time of the year in our City and in the Central Police District as we are in the middle of Fleet Week with a lot of activities happening in the next few days. It is also exciting that the Giants are in the playoffs this year.

Central Station Officers are prepared for all the activity and we will have extra officers deployed in the highly traveled areas such as Fisherman's Wharf, North Beach, Chinatown and Union Square.

Beginning tomorrow, we will see the Parade of Ships, then this weekend we will have our annual Italian Heritage Day Parade in North Beach and the 10/10 parade in Chinatown, both happening at the same time on Sunday.

I will be working all weekend and I look forward to seeing everyone from the community.

As a reminder, "See Something-Say Something." If you witness suspicious activity, please report it right away. We are prepared to respond quickly and address the situation right away.

Give yourself time to travel around the district as the streets will be crowded. Remember to safeguard your valuables and not display your cell phone in public. If you decide to drink, have a designated driver.

Our Mission

SAFE engages, educates, and empowers San Franciscans to build safer neighborhoods through crime prevention, education, and public safety services that result in stronger, more vibrant and resilient communities.

Our History

San Francisco SAFE, Inc. (Safety Awareness for Everyone) is a community crime prevention and public safety program that works in cooperation with the San Francisco Police Department and other city agencies to help San Franciscans protect themselves from becoming victims. SAFE was created in 1976 as a project of the SFPD. In 1980, SAFE became a non-profit 501(c)(3) corporation, and 30 years later, continues to act as the crime prevention component of the police department. A major portion of SAFE's income comes from a grant contract with the SFPD, but SAFE also receives donations and grants in order to expand and enhance our crime prevention and public safety services. SAFE has also received numerous grant awards from the City and County of San Francisco, the San Francisco Mayor's Office, State Office of Criminal Justice Planning and local foundations. We have provided major support to the San Francisco Police Department and Mayor's Office by acting as a fiscal agent for these federal and state funded grants, along with participating in numerous crime prevention activities as a part of these grants.

WHAT IS SAFE BIKES

If a bicycle is stolen, even if it is recovered, it is almost impossible to find the owner. Until now. SAFE Bikes is a community collaboration to help reduce bike theft in San Francisco and support bike owners getting their bikes back in the event that their bike is stolen. We have created a bicycle registry to help you get your bike back and to prove that the bike is yours. If your bike is recovered, officers can look up your serial number or registration tag number to return the bike to you. SAFE Bikes also hosts educational workshops and provides valuable information to help you lower the likelihood of your bike getting stolen.

IF YOUR BICYCLE IS STOLEN

- **STEP 1.** Go to your local police district station in San Francisco to file a police report, in person, online, or call 415-553-0123.
- **STEP 2.** Follow the steps listed here to increase your chances of getting your bicycle returned.
- **STEP 3.** Check the Stolen Bike Registry and Bike Index for your stolen bicycle.
-

LOCKING TECHNIQUE

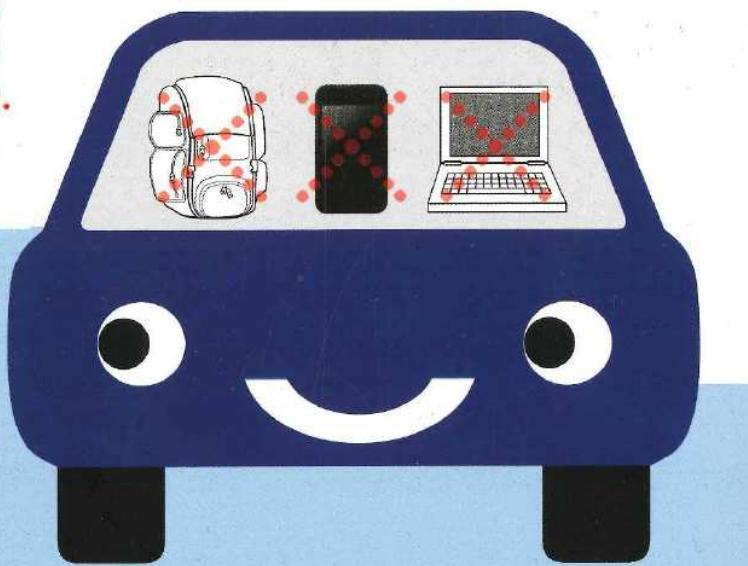

- **STEP 1.** Secure rear wheel with small, hardened steel U-lock inside the rear triangle
- **STEP 2.** Make sure U-lock is secured to an immovable object
- **STEP 3.** Secondary metal lock (cable or another U-lock) placed on front wheel
- **STEP 4.** Replace quick release skewers with keyed locking skewers to ensure wheels and saddles are locked to frame.

This is only one of many locking methods. None are 100% guarantee

What is the ALERT Program?

The San Francisco Police Department has developed a volunteer citizen disaster preparedness program. The Auxiliary Law Enforcement Response Team (ALERT) is modeled after and works in partnership with the San Francisco Fire Department's Neighborhood Emergency Response Team (NERT). The ALERT program will train members of the public to assist law enforcement in essential tasks after a major disaster. Such tasks may include: traffic control, foot patrol of business and residential areas, and reporting criminal activity. Volunteers must be at least 16 years of age and live, work, or attend high school in San Francisco.

Three steps to becoming an ALERT volunteer:

1. Complete NERT training and receive certification. To register for NERT training courses please visit www.sfgov.org/sfnert
2. Once NERT certified, forward a copy of your NERT ID card to the ALERT program. sfpdalert@sfgov.org
3. After clearing a basic background check the individual is eligible to register for ALERT training.
