Captain Lazar's Message

Recent Activities in the Central

Today I was reflecting on the plans for Halloween this weekend. As we know, once we get through Halloween, the Holiday Season has arrived and this means wonderful events, generous giving and a beautiful scenery in the Central District.

Sometimes this may also mean an increase in thefts such as auto burglaries, retail theft and personal theft. I will be spending time in Union Square this year primarily on duty working to make sure our visitors are safe. Of course, I will be Christmas shopping off duty as well.

Robberies

Just this afternoon, a woman was on the 100 block of Powell Street, in the middle of the day and with people on the street, when her cell phone was grabbed out of her hand.

A couple of things to consider to reduce these crimes:

1. Be aware of your surroundings at all times
2. Do not use or display your electronic devices while in public (I often see people walking around with their cell phone in their hand).
3. Place your wallet in your front pocket and be aware of your valuables on the street.
4. Zip up and secure your purse and personal belongings. Keep your valuables in front of you.
5. If you are bumped into, immediately check to make sure you still have your wallet and valuables. Many times, this could be a person attempting to take valuables out of your pocket.
6. Call 911 if you witness a theft.

Have a wonderful Halloween this weekend. Tomorrow, I will spend time with Dr. Dennis Chew and the children from Gordon J. Lau Elementary school as they perform their Halloween parade.

I will be out on patrol and around the district on Halloween. Attached to today's newsletter are some safety tips for a safe and enjoyable Halloween.

Have a great weekend!

Halloween Safety Tips

Information

Help make the evening safe!

Halloween has been celebrated on October 31st in the United States since the early 1800's and is traditionally a family-oriented holiday when children get to dress up and enjoy candy and other treats. Halloween is a time for fun with friends, family and neighbors with children trick-or-treating door-to-door. Most people are friendly and nice but there are some who play cruel tricks on children and ruin the good time.

In order to assist San Francisco's community in enjoying this fun-filled holiday as safely as possible, the SFPD has compiled the following Halloween safety tips. Also, be aware that this year's Halloween falls on the first day of day-light savings time, that means the sun will set sooner than expected. So be sure to take a flashlight and/or reflective clothing when walking in the neighborhood with your little goblins.

Halloween Safety Tips...

- Children should trick-or-treat during daylight hours.
- Children should never be allowed to go out alone on Halloween.
- Children should never eat any treats until they have been examined.
- All fruit should be cut and and closely examined before eating.
- Advise children that they should never enter strangers' homes.
- Never invite children into your home.
- Children should never accept rides from strangers.
- Children should never take shortcuts through backyards or alleys.
- Set a specific time limit for your children to be out on Halloween night.
- Give wrapped homemade treats only to children you know.
- Instruct children not to stray from their group.
- A responsible adult should escort children while trick-or-treating.
- Adult escorts should carry flashlights.
- Don't leave your home unattended on Halloween night.

- Keep pets inside your home, or other safe place on Halloween night.
- Children should walk, not run, during their trick-or-treat activities.
- Parents should know what route their children will be taking.
- All costumes should be made of light-colored, fireproof material.
- Children should wear proper fitting, comfortable costumes and shoes.
- Props such as toy guns or swords should be made of pliable material.
- Realistic replica firearms should never be used.
- Masks should not be worn if they impair vision.
- Wigs should be fireproof and should not restrict vision.
- Children should always use sidewalks, not the street, for walking.
- Children should look in all directions before crossing the street.

If you suspect any candy that has been tainted, Please bring the candy to any of the [ten district police stations](#) for disposal.
