Captain Lazar's Message

Quite often we talk about the importance of keeping families with children in San Francisco. Thankfully, North Beach has always had a lot of families dating way back to when my Grandmother grew up in the neighborhood in the 1920's and 1930's and then my Mother in the 1940's and 1950's.

I have thought about this for the last few days as I reflect on the incredible turnout last Sunday at Joe DiMaggio playground. I have not seen so many families with children in one place celebrating Halloween and having so much fun. The organizers did a great job and I think at one point there must have been about 500 people at the event. A true sense of community!

Officers Alvarez, Chu, Gil and Kresley were there with me along with my wife and youngest daughter. We at Central Station are very much part of our community and know the importance of participating in community events. I look forward to next year's event.

Speaking of Halloween, I had the opportunity to spend a night on patrol last Saturday evening and again on Halloween evening. It is not often that I get to respond to calls for service, conduct traffic stops and catch criminals. Even better was the opportunity to see the night watch at Central Station in action. These young officers work hard to keep our community safe. They are professional and really care about public safety. It was an honor to work alongside them.

(Safety Awareness for Everyone) is a community crime prevention and public safety program that works in cooperation with the San Francisco Police Department and other city agencies to help San Franciscans protect themselves from becoming victims. SAFE was created in 1976 as a project of the SFPD. In 1980, SAFE became a non-profit 501(c)(3) corporation, and 30 years later, continues to act as the crime prevention component of the police department. A major portion of SAFE's income comes from a grant contract with the SFPD, but SAFE also receives donations and grants in order to expand and enhance our crime prevention and public safety services. SAFE has also received numerous grant awards from the City and County of San Francisco, the San Francisco Mayor's Office, State Office of Criminal Justice Planning and local foundations. We have provided major support to the San Francisco Police Department and Mayor's Office by acting as a fiscal agent for these federal and state funded grants, along with participating in numerous crime prevention activities as a part of these grants.

WHAT IS SAFE BIKES

If a bicycle is stolen, even if it is recovered, it is almost impossible to find the owner. Until now. SAFE Bikes is a community collaboration to help reduce bike theft in San Francisco and support bike owners getting their bikes back in the event that their bike is stolen. We have created a bicycle registry to help you get your bike back and to prove that the bike is yours. If your bike is recovered, officers can look up your serial number or registration tag number to return the bike to you. SAFE Bikes also hosts educational workshops and provides valuable information to help you lower the likelihood of your bike getting stolen.

IF YOUR BICYCLE IS STOLEN

- **STEP 1.** Go to your local police district station in San Francisco to file a police report, in person, online, or call 415-553-0123.
- **STEP 2.** Follow the steps listed here to increase your chances of getting your bicycle returned.
- **STEP 3.** Check the Stolen Bike Registry and Bike Index for your stolen bicycle.

LOCKING TECHNIQUE

- **STEP 1.** Secure rear wheel with small, hardened steel U-lock inside the rear triangle
- **STEP 2.** Make sure U-lock is secured to an immovable object
- **STEP 3.** Secondary metal lock (cable or another U-lock) placed on front wheel

SAN FRANCISCO POLICE DEPARTMENT

Auxiliary Law Enforcement Response Team (ALERT)

What is the ALERT Program?

The San Francisco Police Department has developed a volunteer citizen disaster preparedness program. The Auxiliary Law Enforcement Response Team (ALERT) is modeled after and works in partnership with the San Francisco Fire Department's Neighborhood Emergency Response Team (NERT). The ALERT program will train members of the public to assist law enforcement in essential tasks after a major disaster. Such tasks may include: traffic control, foot patrol of business and residential areas, and reporting criminal activity. Volunteers must be at least 16 years of age and live, work, or attend high school in San Francisco.

Three steps to becoming an ALERT volunteer:

1. Complete NERT training and receive certification. To register for NERT training courses please visit www.sfgov.org/sfnert
2. Once NERT certified, forward a copy of your NERT ID card to the ALERT program. sfpdalert@sfgov.org
3. After clearing a basic background check the individual is eligible to register for ALERT training.
