Captain Lazar's Message

Monthly Community Meeting

This evening is my monthly community meeting from 6:00 p.m. to 7:00 p.m. at the North Beach Library. Please come to the meeting as we will discuss crime and community issues.

The Holidays are here

It is a very exciting time in the Central District as we begin the holiday season. Many of us will be attending holiday gatherings to celebrate the year. Please do not drink and drive and assist others who may want to drive after they have had an alcoholic beverage. It is not worth injuring others or yourself. Please figure out other ways to get home.

Captain David Lazar
Commanding Officer Central Station

New Police Officers Arrive at Central Station

Congratulations to the newest members of the San Francisco Police Department who will graduate the Police Academy tomorrow evening. Central Station welcomes **Officers Samuel Fyles, Nathalie Peraza and Paul McIntosh** who will begin their field training.

Turkey Give Away

Central Station Officers, in partnership with the Chinatown Community Development Center, will be delivering turkeys to families in need tomorrow from 12:00 p.m. to 4:00 p.m. We participated last year and enjoyed giving away the turkeys, provided by CCDC, to the community.

Tragic Bus Collision

I want to take a moment to thank the Central Station Officers, Officers from the Department's Traffic Company, the Fire Department, MTA, the Union Square BID and various other agencies who all came together last Friday to respond to and manage the horrific collision involving a tour bus at Post and Stockton. I was on scene within 10 minutes of the collision and the training we all received was put into action as all of the agencies, working very well together, were able to get the injured to hospitals and quickly control the scene. I am grateful that more people were not seriously injured or worse.

Special points of interest:

- ◆ JOIN SFPD

Traffic Citations

Central Station Officers wrote 1,105 citations in the month of October, which was up 11% from the year prior. We are seeing far too often pedestrians hit by motorists in the crosswalk and so we are focusing on this violation in an effort to reduce collisions. Please be patient when driving around the district and take a moment to provide the right of way to pedestrians.

Have a great weekend!

Captain David Lazar

Featured Citizen of the Month

Stephanie Greenburg

Each month Central Police Station features a citizen who represents the unique flavor of the Central Police District.

This month we interviewed Stephanie Greenburg. Stephanie is on the Central Community Police Advisory Board.

Stephanie Greenburg has lived in North Beach/Telegraph Hill for nearly 20 years. She grew up in Utah, and has lived in New York City and Indiana, where she attended graduate school. A committed neighborhood advocate, she has been actively involved in a number of community efforts and organizations. Stephanie joined the Central Community Police Advisory Board (CPAB) in 2011, representing the south side of North Beach inclusive of the Broadway Corridor. She has served under four Station Captains and has acted as Co-chair for the past 4 years. Recently, Stephanie helped to organize two highly successful and well attended National Night Out events, and has worked on the CPAB's Park Smart and Graffiti Subcommittees. In 2013, Stephanie was appointed by Supervisor David Chiu to the Graffiti Advisory Board, representing District 3. Here, Stephanie served on the Law Enforcement subcommittee and worked with Supervisor London Breed's office on new graffiti legislation passed by the Board of Supervisors in 2014.

A long-time advocate for positive change in the Broadway Corridor area, Stephanie joined efforts to form the Top of Broadway Community Benefit District (ToBCBD) in 2010, and has served as the organization's Board President and Marketing Chair since it's formation in 2013. Beginning in 2011, Stephanie joined other community members, as well as city officials and agencies, in collaborative efforts to improve public safety. This endeavor to improve safety and quality of life in the greater Broadway-area has continued with the combined efforts of Central Station and the ToBCBD's Safety & Services Committee, of which Stephanie is a member.

Stephanie is a member of the SFDA's Women's Advisory Board, and is a co-founder of SoTel Neighbors and member of North Beach Neighbors, where she continues to promote safety and livability for the community. Stephanie has worn many career hats, but has found volunteer and community work to be the most rewarding, and the most emotionally challenging. Outside of volunteer work Stephanie loves to travel, which she plans to do extensively over the next year.

Featured Officer of the Month

Officer Kevin Worrell

Each month Central Police Station features one of its officers in an effort to learn more about the men and women who police our neighborhood. This month, we interviewed Officer Kevin Worrell, a 13-year member of Central Police Station.

Officer Kevin Worrell was born in Redwood City, CA and grew up in South San Francisco, CA. Officer Worrell attended Mills High School where he was an avid softball player and water polo player. He later attended the College of San Mateo.

On 09/18/2000, Officer Worrell entered the San Francisco Police Academy as a member of the 198th recruit class, to follow in his Grandfather's footsteps. After graduating from the San Francisco Police Academy, Officer Worrell went to Mission Station for his field training. After completing his field training, Officer Worrell went to Ingleside Station for his probation station. When Officer Worrell's probation period was over, he received the wonderful news that he was going to Central Station for his permanent station. Some Officers wait 6-8 years to get to Central Station, Officer Worrell felt like he had hit the jackpot!

Officer Worrell has really enjoyed his time here at Central Station. Not only is he a great asset to our station but to our entire department. Officer Worrell is the North Beach foot beat officer and you can often see him walking around the neighborhood with his big friendly smile. Officer Worrell is also the Commissioner of the San Francisco Police Department Softball League.

Highlights of the Accelerated Hiring Program:

- You will no longer have to submit an application before the test!
- The City will conduct tests on a monthly basis. You simply attend the session which is most convenient for you. Please bring a valid driver license when you report.
- At the site, you will complete a short job application, take the POST written examination, and complete the Personal History Questionnaire (PHQ) which is the first stage in the background investigation process.
- The POST test will be waived for those who have taken it within the last two years and have achieved a score of 42 or higher. However, you will still need to complete an application and attend a PHQ session. Bring a copy of documentation which includes the date you completed the POST test and your score.
- Also, if you have a current California POST Basic, Intermediate or Advanced Certificate the written test will be waived. Bring a copy of the certificate to the test site. You will still need to complete an application and attend a PHQ session.
- If you pass the POST written examination, your name will be placed on the official Civil Service tentative eligible list. Your eligibility is valid for two years.
- SFPD will evaluate the results of the PHQ and invite the most suitable candidates to participate in the physical ability and departmental interview.
- If you are invited to the physical ability and departmental interview, but cannot attend, you will not be eliminated from consideration. Like the written test, the physical ability and departmental interviews will be held every month. This means you can attend a later session.
- If you have problems passing the physical ability, you won't be eliminated. This means you can increase your physical conditioning, come back, and try again. We want you to be successful in the process.
