Captain Lazar's Message

December 15, 2016 Volume 1, Issue 110

Community Meeting is Tonight!

The rain is coming down tonight. If you are willing to battle the rain, we are meeting this evening from 4:00 p.m. to 5:00 p.m. at the Norwegian Seaman's Church at 2454 Hyde Street.

Beginning in January, I will be moving the meeting to the first Monday of the month. The next meeting will be held on Monday, January 2, 2017 from 5:00 p.m. to 6:00 p.m.

*Captain David Lazar
Commanding Officer Central Station*

Happy Holidays!!

Please remember safety tips while in public:

1. No cell phone when out in public.
2. Safeguard your property keeping mindful of your wallets and purses.
3. Avoid sitting in a public place with your laptop.
4. Do not have your packages delivered to your doorstep when you are not home.

Procedural Justice

Lieutenants, Captains and Police Command Staff are all attending Procedural Justice Training this month. I attended the first class presented last week. This training serves as a reminder to us officers about the importance of our relationship with the community we serve. Every officer will attend this training and in many respects, reflects the work we are already doing as a Department.

Procedural Justice Principals:

1. Voice-Listening to people
2. Neutrality-Being fair and impartial
3. Trust-Explaining the process
4. Respect-Leaving people with their dignity

Excellent concepts!

It will be an incredible event. It is like having a Winter National Night Out with youth!

Traffic Enforcement

Central Station Officers have been conducting traffic enforcement during the month of December. Because of the weather conditions, it is important to slow down and stay safe. Please be mindful of the pedestrians in the crosswalk. I would like to thank Sergeant Fee and his team from Traffic Company who have been issuing citation for speeding in the Broadway Tunnel.

In addition, Sergeant O'Mahony has led a team of officers two days ago and issued numerous citations as well for speeding in the Broadway Tunnel.

Toy Give Away

Central Station's Housing Team in partnership with the Chinatown Community Development Center have a planned toy give away for the youth of the Ping Yuen this Sunday from 2:00 p.m. to 4:00 p.m. We enjoy participating in this event every year!

Sock Drive

Lt. Matthews is grateful for the tremendous generosity of the community who contributed to our station's sock drive.

Tire Slashing in North Beach

So far we have 8 reports and are actively investigating these crimes in North Beach. There is a likelihood that some members of the community have not reported after becoming a victim. I am taking these incidents very seriously and encourage everyone to file a report.

There are three ways:

1. Come to Central Station
2. Phone 311 (report prepared over the phone).
3. Go online to our Department's Website.

Package Thief!

Congratulations to Officers Jared Monroe and Robert Kerrigan for capturing a burglar who stole packages from a building on the 800 block of Pine Street on December 12th.

Auto Burglars

Congratulations to Sergeant Spagnuolo, Officers Tiumalu, Harris, Reyes, Christensen, Johnson, Macaulay, and Huang who captured and two auto burglars on the 300 block of Bay Street on December 11th.

Speaking of the plainclothes team, they also caught a burglar who was riding his bicycle on the 700 block of Montgomery looking into all of the cars parked on the street. Officers stopped him and determined he had an arrest warrant from Santa Cruz for burglary and drug possession. In his possession and discovered during the arrest were spark plug chips (used to break windows of cars), a wire cutter, plier, 2 screwdrivers, a bolt cutter and a flashlight.

The team definitely prevented a burglary this evening!

Happy Holidays to everyone. Linked is our Department's Holiday Video. Please take a look! <https://vimeo.com/195338249>

Have a great weekend!

Featured Officer of the Month

Officer Joseph Marte

Each month Central Police Station features one of its officers in an effort to learn more about the men and women who police our neighborhood. This month, we interviewed Officer Joseph Marte, a 4-year member of Central Police Station.

Officer Marte was born and raised in Oakland, CA. He attended St. Joseph Norte Dame High School in Alameda, CA and went on to attend Chabot College in Hayward, CA.

Officer Marte joined the San Francisco Police Academy in 1996. After graduating from the Police Academy, he was assigned to Southern Station for field training. After field training, he was assigned to the Bayview Station for his probation station. Officer Marte elected to remain at Bayview Station to further help the people in the Southeast Community.

Officer Marte accepted his transfer to Central Station in the early 2000's, but was detailed to the Narcotics Division for 10 years. In 2012, Officer Marte was transferred back to Central Station. Officer Marte is a patrol officer and can be seen patrolling throughout the entire district.

Officer Marte's favorite thing about the Central is the people within the district. No matter what part of the Central he is travelling through, he is often approached by someone that would shake his hand and thank him for his service. Officer Marte says, "It's always great to come to work knowing that the Central Community appreciates us."

SFPD and Walgreens Kick Off 2016 Holiday Toy Drive

In collaboration with Walgreens drugstores, the San Francisco Police Department today launched its 2016 Holiday Toy Drive, benefitting the City's children in need.

From November 18 to December 19, SFPD will be accepting donations of new, unwrapped toys at more than 60 San Francisco Walgreens locations. The goal is to exceed last year's toy drive, in which approximately 2,500 items were donated at 30 Walgreens stores for distribution to San Francisco children.

"Everyone can make a difference in a child's life," said Interim Police Chief Toney Chaplin. "San Franciscans are generous, thoughtful people and we believe they will step up to brighten the holidays for children and provide happy memories for years to come. We thank Walgreens for doing their part again this year to help San Francisco youth."

Donors can purchase or drop off a new, unwrapped toy at any San Francisco Walgreens that features a brightly colored and marked toy drive collection bin. Those unable to drop off a toy may also contribute to a Go Fund Me account (<https://www.gofundme.com/sfpdtoydrive2016>) established by the San Francisco Police Foundation to purchase toys for underprivileged children this holiday season.

Sobriety Checkpoint In San Francisco

San Francisco Police Department's Traffic Unit will be conducting a sobriety checkpoint on Friday, December 16, 2016, at an undisclosed location within the city limits between the hours of 7:00 P.M. and 3:00 A.M.

The deterrent effect of sobriety checkpoints is a proven resource in reducing the number of persons killed and injured in alcohol or drug involved crashes. Research shows that crashes involving an impaired driver can be reduced by up to 20 percent when well-publicized sobriety checkpoints and proactive DUI patrols are conducted routinely.

Nationally, the latest data shows nearly 10,000 were killed by an impaired driver. "Buzzed driving is drunk driving. Don't risk it." states Officer Giselle Talkoff of the San Francisco Police Department.

Officers will be looking for signs of alcohol and/or drug impairment with officers checking drivers for proper licensing delaying motorists only momentarily. When possible, specially trained officers will be available to evaluate those suspected of drug-impaired driving. Recent statistics reveal that 30 percent of drivers in fatal crashes had one or more drugs in their systems. A study of active drivers showed more tested positive for drugs that may impair driving (14 percent) than did for alcohol (7.3 percent). Of the drugs, marijuana was most prevalent, at 7.4 percent, slightly more than alcohol.

According to the National Highway Traffic Safety Administration (NHTSA), checkpoints have provided the most effective documented results of any of the DUI enforcement strategies, while also yielding considerable cost savings of \$6 for every \$1 spent. Nearly 90 percent of California drivers approve of DUI checkpoints.

DUI Checkpoints are placed in locations based on collision statistics and frequency of DUI arrests affording the greatest opportunity for achieving drunk and drugged driving

deterrence. Locations are chosen with safety considerations for the officers and the public.

Drivers caught driving impaired can expect the impact of a DUI arrest to include jail time, fines, fees, DUI classes, other expenses that can exceed \$10,000 not to mention the embarrassment when friends and family find out.

Funding for this checkpoint is provided to the San Francisco Police Department by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration, reminding everyone to 'Report Drunk Driver – Call 9-1-1'.

Our Mission

SAFE engages, educates, and empowers San Franciscans to build safer neighborhoods through crime prevention, education, and public safety services that result in stronger, more vibrant and resilient communities.

Our History

San Francisco SAFE, Inc. (Safety Awareness for Everyone) is a community crime prevention and public safety program that works in cooperation with the San Francisco Police Department and other city agencies to help San Franciscans protect themselves from becoming victims. SAFE was created in 1976 as a project of the SFPD. In 1980, SAFE became a non-profit 501(c)(3) corporation, and 30 years later, continues to act as the crime prevention component of the police department. A major portion of SAFE's income comes from a grant contract with the SFPD, but SAFE also receives donations and grants in order to expand and enhance our crime prevention and public safety services. SAFE has also received numerous grant awards from the City and County of San Francisco, the San Francisco Mayor's Office, State Office of Criminal Justice Planning and local foundations. We have provided major support to the San Francisco Police Department and Mayor's Office by acting as a fiscal agent for these federal and state funded grants, along with participating in numerous crime prevention activities as a part of these grants.

WHAT IS SAFE BIKES

If a bicycle is stolen, even if it is recovered, it is almost impossible to find the owner. Until now. SAFE Bikes is a community collaboration to help reduce bike theft in San Francisco and support bike owners getting their bikes back in the event that their bike is stolen. We have created a bicycle registry to help you get your bike back and to prove that the bike is yours. If your bike is recovered, officers can look up your serial number or registration tag number to return the bike to you. SAFE Bikes also hosts educational workshops and provides valuable information to help you lower the likelihood of your bike getting stolen.

IF YOUR BICYCLE IS STOLEN

- **STEP 1.** Go to your local police district station in San Francisco to file a police report, in person, online, or call 415-553-0123.
- **STEP 2.** Follow the steps listed here to increase your chances of getting your bicycle returned.
- **STEP 3.** Check the Stolen Bike Registry and Bike Index for your stolen bicycle.

What is the ALERT Program?

The San Francisco Police Department has developed a volunteer citizen disaster preparedness program. The Auxiliary Law Enforcement Response Team (ALERT) is modeled after and works in partnership with the San Francisco Fire Department's Neighborhood Emergency Response Team (NERT). The ALERT program will train members of the public to assist law enforcement in essential tasks after a major disaster. Such tasks may include: traffic control, foot patrol of business and residential areas, and reporting criminal activity. Volunteers must be at least 16 years of age and live, work, or attend high school in San Francisco.

Three steps to becoming an ALERT volunteer:

1. Complete NERT training and receive certification. To register for NERT training courses please visit www.sfgov.org/sfnert
2. Once NERT certified, forward a copy of your NERT ID card to the ALERT program. sfpdalert@sfgov.org
3. After clearing a basic background check the individual is eligible to register for ALERT training.
