Captain Lazar's Message

On behalf of all of the officers at Central Station, I would like to wish you and your family Happy Holidays! Officers have been busy attending holiday events on behalf of the station, such as the holiday community event at the YMCA and at the Chinatown Child Development Center, and have worked to address crime in our community.

One of the topics I often discuss in my weekly newsletter is package theft. I have seen an increase this week as we get close to Christmas. Remember to safeguard your packages by coming up with an alternative place for delivery. As you may know, one of the tactics used by thieves is to follow the delivery truck and then take the package quickly once it is delivered. We have made two arrests this week related to package thefts.

Commanding Officer Central Station

Youth Engagement Activities

I would like to take a moment to thank Boston Properties. On Monday, Boston Properties generously sponsored a youth ice skating event at Justin Herman Plaza. The Department had each Captain come up with 15 or so youth and the San Francisco Police Activities League created a design for a t-shirt. At 10:00 a.m. on Monday, kids and officers from all over the City ice skated together, followed by a great lunch and arts and crafts activities. The day was perfect as it was the first day of the holiday break for the kids in school. I've never seen police officers in uniform ice skating. An incredible thing to watch.

This afternoon, Officers Vanessa Johnson, Jonathan Sylvester and Nicholas Stewart will be distributing toys to children who reside in North Beach Place. Officer Christopher Sabella is this year's Santa Claus.

Last Sunday, Officers Johnson, Sylvester, Chu, Amoroso, On and I participated in a toy give away in the Ping Yuen in partnership with the Housing Authority and the Chinatown Community Development Center. A lot of happy kids for Christmas!

New Year's Eve

We at Central Station have finalized our plans for New Year's Eve. I will have officers on the Embarcadero and on Market Street with coverage in these areas in order to provide for a safe and enjoyable event. The fireworks show will begin at midnight. In addition, extra officers will be on patrol on Broadway, in North Beach, around Union Square and at Fisherman's Wharf. I will be on patrol throughout the night. If there are any areas of concern, prior to the evening, please email me.

Central Station Sock Drive

Thanks to Lieutenant Valerie Matthews who brought her sock drive idea to Central Station, we have received an overwhelming response. Next week, we will be distributing socks to the homeless.

Traffic Enforcement

Thanks to the Traffic Company, specifically Acting Sergeant Pubill, Officers Dobrowolski, Tennenbaum, and Litticut, 11 citations were issued Tuesday for speeding in the Stockton Tunnel. I am grateful for their work as we have seen collisions all over the District in the last couple of weeks. Pedestrians being hit in the crosswalk has been one of the most frequent incidents involving injuries.

Call the Police!

Often at community meetings I encourage the community to phone the police whenever they see suspicious activity. On December 18, 2016 at 5:23 p.m., someone called in a suspicious vehicle at Broadway and Jones. There was a Toyota parked illegally. Officers Kenneth Anderson and Francesca Murphy responded. When the officers arrived, there was a male lying down in the back seat. The officers ran a record check which revealed the person had an arrest warrant for possession of narcotics paraphernalia from Alameda County. This incident is an example of why it is important to report activity and become involved. It makes our neighborhoods and community safer.

Have a great holiday weekend!

Our Mission

SAFE engages, educates, and empowers San Franciscans to build safer neighborhoods through crime prevention, education, and public safety services that result in stronger, more vibrant and resilient communities.

Our History

San Francisco SAFE, Inc. (Safety Awareness for Everyone) is a community crime prevention and public safety program that works in cooperation with the San Francisco Police Department and other city agencies to help San Franciscans protect themselves from becoming victims. SAFE was created in 1976 as a project of the SFPD. In 1980, SAFE became a non-profit 501(c)(3) corporation, and 30 years later, continues to act as the crime prevention component of the police department. A major portion of SAFE's income comes from a grant contract with the SFPD, but SAFE also receives donations and grants in order to expand and enhance our crime prevention and public safety services. SAFE has also received numerous grant awards from the City and County of San Francisco, the San Francisco Mayor's Office, State Office of Criminal Justice Planning and local foundations. We have provided major support to the San Francisco Police Department and Mayor's Office by acting as a fiscal agent for these federal and state funded grants, along with participating in numerous crime prevention activities as a part of these grants.

WHAT IS SAFE BIKES

If a bicycle is stolen, even if it is recovered, it is almost impossible to find the owner. Until now. SAFE Bikes is a community collaboration to help reduce bike theft in San Francisco and support bike owners getting their bikes back in the event that their bike is stolen. We have created a bicycle registry to help you get your bike back and to prove that the bike is yours. If your bike is recovered, officers can look up your serial number or registration tag number to return the bike to you. SAFE Bikes also hosts educational workshops and provides valuable information to help you lower the likelihood of your bike getting stolen.

IF YOUR BICYCLE IS STOLEN

- **STEP 1.** Go to your local police district station in San Francisco to file a police report, in person, online, or call 415-553-0123.
- **STEP 2.** Follow the steps listed here to increase your chances of getting your bicycle returned.
- **STEP 3.** Check the Stolen Bike Registry and Bike Index for your stolen bicycle.

LOCKING TECHNIQUE

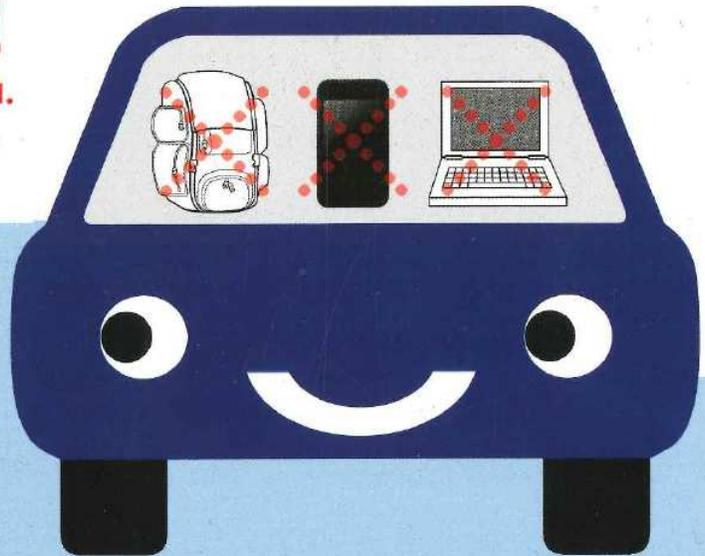

- **STEP 1.** Secure rear wheel with small, hardened steel U-lock inside the rear triangle
- **STEP 2.** Make sure U-lock is secured to an immovable object
- **STEP 3.** Secondary metal lock (cable or another U-lock) placed on front wheel
- **STEP 4.** Replace quick release skewers with keyed locking skewers to ensure wheels and saddles are locked to frame.

This is only one of many locking methods. None are 100% guarantee

Auxiliary Law Enforcement Response Team

Are you someone who is interested in disaster preparedness and wants to help out your community while working hand in hand with law enforcement? Then the ALERT program is for you!

SAN FRANCISCO POLICE DEPARTMENT

Auxiliary Law Enforcement Response Team (ALERT)

What is the ALERT Program?

The San Francisco Police Department has developed a volunteer citizen disaster preparedness program. The Auxiliary Law Enforcement Response Team (ALERT) is modeled after and works in partnership with the San Francisco Fire Department's Neighborhood Emergency Response Team (NERT). The ALERT program will train members of the public to assist law enforcement in essential tasks after a major disaster. Such tasks may include: traffic control, foot patrol of business and residential areas, and reporting criminal activity. Volunteers must be at least 16 years of age and live, work, or attend high school in San Francisco.

Three steps to becoming an ALERT volunteer:

1. Complete NERT training and receive certification. To register for NERT training courses please visit www.sfgov.org/sfnert
2. Once NERT certified, forward a copy of your NERT ID card to the ALERT program. sfpdalert@sfgov.org
3. After clearing a basic background check the individual is eligible to register for ALERT training.

- Acting Chief Toney Chaplin

The City and County of San Francisco invites you to join a highly respected police department and serve the citizens of one of the most beautiful cities in the country. San Francisco Police Officers perform a wide variety of duties to promote public safety and security, prevent crime and enforce the law. Police officers perform a number of essential functions. For example, they patrol districts to prevent and detect crime; respond to calls for assistance; conduct criminal investigations; interact with the community to build cooperation and support; pursue and arrest suspects; enforce traffic and parking laws; write reports and maintain records; work with superiors, peers, and others as a team; prepare for and participate in planned events; prepare for court and give testimony; and fulfill other administrative duties when required. This is much more than a job; it is an opportunity to build a career of which you can be proud.
