

We, the undersigned, call on the Director of Public Works and The Bureau of Environmental Services to add regular Mechanical Street Cleaning to _____

We understand that to successfully sweep our streets, residents, workers, and business owners must move their cars for schedule street cleaning. We hereby request signs for "No Parking for Street Sweeping" be posted. We understand any vehicles that are parked in the restricted area during the posted hours will be ticketed.

We also understand that a 2/3 majority in the prospective posted area is needed to have the area considered for posting, and that our names and addresses will be verified by the City of San Francisco Public Works Department.
